

Medicaid Long-Term Care Eligibility

When will the department authorize my long-term care services?

When you:

1. Are Assessed using CARE
2. Are found financially & functionally eligible for services.
3. Have given consent for services and approved your plan of care
4. And have chosen a provider qualified for payment.

WAC 388-106-0045 (Washington State)

Step 1: Apply for Services

Step 2: Interview with a financial benefits specialist.

Step 3: Receive an assessment from a case manager to assess function.

Step 4: Receive a document with the service plan and approve the plan.

Step 5: Choose a provider who is qualified to receive payment from WA State.
